Dear Tiffany,

On behalf of Specialized Alternatives for Families and Youth (SAFY), I want to thank you for your generous gift of "public service announcements".

As a non-profit organization, we rely on gifts from concerned people like you, and without your generosity, we simply could not foster an environment that positively impacts the lives of youth and their families...whether they are with us for an hour or a lifetime.

For the last 27 years SAFY has been helping children and families in crisis in the communities we serve. And we have been able to do this because of people like you who like us, envision the day when every child is part of a loving family and able to reach his or her greatest potential.

Again, thank you. At a time when the need for family-based services is in great demand, your gift is making a difference.

If you have any questions about our work, please visit us at www.safy.org. Thanks once again for your support of our work and for your ongoing support.

Sincerely,

Rusty Alexander

Dear Chamberfest Supporter,

Thank you for your participation at Chamberfest 2011!

There were over 700 people come through the doors at Chamberfest this year. Again, thank you for supporting the Lima/Allen County Chamber of Commerce and the Chamberfest event. We hope you were able to have attended this event and we look forward to your participation next year.

Dear Tiffany:

Thank you so much for informing our Auglaize County Leadership class about the history and impact of radio yesterday as we explored Communication and Media. You and the staff did a wonderful job of showing our students firsthand the ins and outs of radio broadcasting and how it will affect our immediate and our future. What outstanding media! Our students enjoyed the day very much and learned a great deal. Our class members very much enjoyed the game we played at the end.

We plan on conducting one of these classes each year and hope to be able to call upon you again in the future.
