Subject: Hi Vince! - From Ohio Northern!

Hello Vince!

I'm sure you are extremely busy right now, but I wanted to say thanks so much, again, to you and to Phil, for having me talk on your show when you were at the Inn at Ohio Northern a couple of weeks ago! Truly, that was such a blast and I really enjoyed it.

I was trying to find an email for Phil, too, to say thank you to him also and while I could find so much on both of you, I couldn't seem to find an email address. Will you please relay my thanks to him when you see him, but also, you guys were just 'fun'!!

I hope to see you both again sometime and thanks so very much for all you did for the Inn a couple of weeks ago.

Let me know if you ever need two minutes 'filler' any other time!

Regards,
Ann
